2 Download Crystal Files

1. If you were given a user and a password to access to the FTP, download the Crystal files in: <http://om.argentisconsulting.com/Apparel/Releases>. If not, ask to support@argentisconsulting for the Reports.
2. Save the .zip file in the Server Shared Folder. The folder can be created in any place of C: disk. Is not mandatory to create inside SAP Folder.

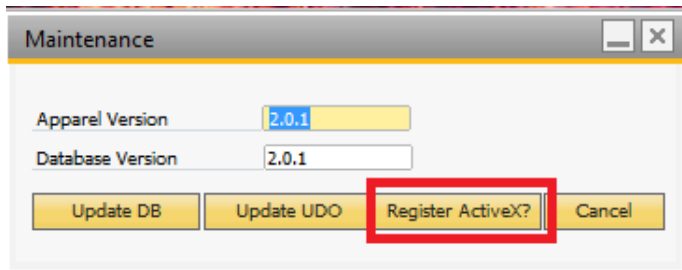

3 SAP B1 Client Configuration

1. In SAP go to Apparel and Footwear → Administration → Setup → General Settings → Sheet Path.
Repeat the locations in the field Crystal Report.

2. Register the crystal reports. Please go to: Apparel and Footwear / Administration / Setup / Maintenance. Select the option "Register ActiveX".

Note: Each time the version of Apparel and Footwear is update, this last step should be repeated.
